Multi Casualty Response-11/30/21

Jason Pasley, DO, FACS, TMD

Courtney Berry, MBA-HA, BSN, TPM

Initial Response

- Call came to ED alerting of potential for multiple casualties
- Dr. Pasley was about to start elective operation.
- Notified of multiple casualties – stopped his case, received more information
- Called Head of Anesthesia to assess OR capability and to hold rooms when available
 - 3 rooms available within 15 min
- Second trauma surgeon happened to be on site
- Back up trauma surgeon available (10 min away)

- ED was cleared to have both trauma bays and space in between open for additional casualty

Analysis of Core Capabilities

- **Perform Emergency Procedures to Save Incident Victims**
 - Strengths:
 - Prompt appropriate triage
 - Highly skilled, experienced staff in-house
 - OFI:
 - Update MCI plan to include additional areas such as PACU as Delayed Treatment area
 - Station staff at elevators to alleviate congestion and decrease delay
 - Assign Command Post runners to deliver equipment/supplies to the ED

Analysis of Core Capabilities

Security Lock Down

- 
- Strengths:
 - Procedure was prompt to ensure safety of incident, victims, existing patients, hospital staff, and visitors
 - Mass notification was sent out timely and received
 - Security and Buildings & Grounds guarded critical access points.
 - OFI:
 - MRI entrance was not manned; key card entrance. Review for gap.

Analysis of Core Capabilities

- **Patient Management Tracking**

- Strengths:

- Patient locations were tracked in Cerner

- OFI:

- EMR data entry may lag when patients transferred from one area to another. Implementing a real time patient tracking system would be ideal.
 - Overflow areas of hospital set-up for COVID relief are not currently built into the system.
 - Consideration for paper easel to write where patients are/going for real time knowledge of directing physician

**“If everyone is moving forward together,
then success takes care of itself.”**

Henry Ford
