- Hospital designs that optimize trauma patient care
- Management strategies to optimize care of the injured patient
- Benchmarking data to improve trauma patient outcomes
- Organizational factors that positively impact quality improvement initiatives
- Trauma care best practices

Financial Disclosure:

The Accreditation Council for Continuing Medical Education (ACCME) requires that everyone who is in a position to control the content of an education activity disclose relevant financial relationships with commercial interests. A “relevant financial relationship” is defined as any financial relationship within the past 12 months. A commercial interest is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.

None of the planners or presenters for this activity has relevant financial relationships to disclose.

Accreditation and Credit Designation: The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of **4.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity
